

Thank you so much for purchasing our digital print art! Your support means the world to us, and we hope that our artwork brings a touch of beauty and inspiration to your space.

We'd like to remind you that this digital art is intended for *personal use only*, including personal decorations. *Commercial use of this artwork is strictly prohibited*. This ensures that the integrity and exclusivity of the artwork are maintained for personal collectors like yourself.

If you have any questions or need assistance with your digital print, please don't hesitate to contact us on Etsy. We're here to help and will be delighted to answer any queries you might have.

Please note that we *do not offer refunds on digital products*. We believe in the quality and value of our art and trust that you will be pleased with your purchase.

For the best display of your new art, we recommend using professional online printing services rather than a local copy center. High-quality printing will bring out the depth and vibrancy of the colors, ensuring your art looks its best.

Finally, we advise you to **save your digital print file in a secure location**. While we strive to ensure continued access, the availability of digital files may change in the future, and having your own saved copy ensures that your art remains accessible to you at all times.

Thank you again for your support. We can't wait to see how our art transforms your space!

Warmest regards,

SoCal
